

# System 1437-96

## “Quick Set~Up” Storage Rack

FOR GARMENTS, UNIFORMS AND LOCKER BAGS

### FEATURES INCLUDE:

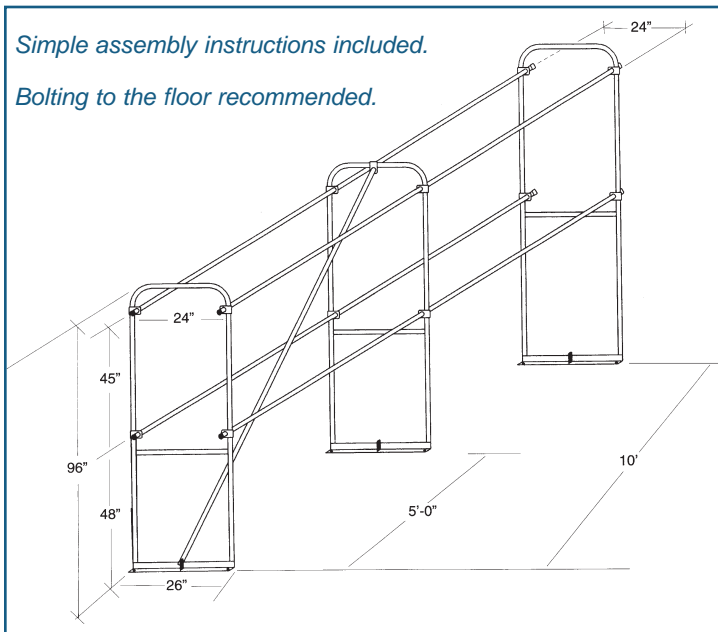

- ❖ Heavy Duty Construction
- ❖ Adjustable Rail Height
- ❖ Quick Set Up & Easy Assembly
- ❖ Expandable Modular Design
- ❖ Bright Zinc Plated Finish

**THE RAILEX SYSTEM 1437** is a heavy duty two-tier garment storage system designed for simple on-site assembly.

- ❖ It is a free-standing unit intended to give a “high tech” look to any facility.
- ❖ It is sturdy enough for furs, leather coats and locker bag storage.
- ❖ The racks are stocked in 5', 10', 15' lengths but can be shortened to meet individual needs.
- ❖ The hanger bar height is adjustable. Their modular design allows for easy change in layout.
- ❖ Also available higher units to 120”

Simple assembly instructions included.

Bolting to the floor recommended.
